# We Dedicate 

To Mr. Manser

To mark a quarter century of service at Mansfield, the Carontowan originally had a dual purpose for its dedication. Now the purpose is a triple one. Therefore, we, the staff, respectfully and humbly dedicate this book to Mr. Herbert E. Manser.

We laud Mr. Manser as exemplifying the highest ideals of the teaching profession. Those hundreds who have participated in his classes have had a unique learning experience. Perhaps we could count those students, but no one can ever guess the number of lives that Mr. Manser has influenced outside the classroom.

We admire Mr. Manser as a person. As Mansfield students, we will always remember the encouragement and aid he has given us. We camot easily forget his unselfish devotion to education through years of plenty, years of depression, and years of war.

We congratulate Mr. Manser on his completion of 25 years of service at Mansfield. This, his 25th year, marks his first year as Dean of Instruction.

We hereby dedicate this book to Mr. Manser with sincerest thanks for aid, example, and service to hundreds of students in the past, and with wishes of God speed for his future as a great teacher and a great man.

## This Book --

## and to the Students

We also dedicate this yearbook to these young Americans-typical of our future.

Mansfield has as its major purpose the training of teachers. For many, Mansfield is just "A College"; but, for us entering the teaching profession, Mansfield is a center of learning, observing, and applying teaching theories We would not want Mansfield to be otherwise because it trains us well to meet our future.
Our future is the glorious world of tomorrow enclosed in a room full of squirming youngsters. What these children become depends largely upon us. We can fill them with ideas of peace, unity, honesty, equality, liberty, and fair play; or, we can teach them selfishness, cruelty, jealousy, hate, and war. We control these childrenwe control the future.
The teacher's task is not just a task of service. It is a far greater responsibility of building - building the "World of Peace." Let us remember, as we leave Mansfield, that we do not belong to a profession which serves humanity; we belong to the group which moulds and shapes Mankind.

PRESIDENT MORGAN

## The Fabric

## of the Future

It is my pleasure and happy privilege to extend to the members of the Senior Class the sincere congratulations of the Board of Trustees, the Faculty, the Student Body and myself upon the successful completion of your college careers at Mansfield.

Your graduation marks the crossing of a new threshold and your entrance upon a thrilling and challenging adventure of service in the Nation's homes and schools. Upon the outcome of this adventure depends much of the future of this Commonwealth and this Nation.

Since the foundation of the State is in the education of its youth, the fabric of the future will be woven day by day in our schools, homes, churches, newspaper offices and the halls of Government-wherever decisions are made or avoided, approved or protested, affirmed or denied. To you, as teachers comes the inspiring challenge to weave into that fabric an enduring pattern of character, citizenship and international well-being. James G. Morgan

## Administrative Council

The Administrative Council of the college consists of the President and all Administrative Officers of the college and meets each week to review plans and policies emanating from the president's office and various student-facultyalumni committees. The administration of such plans and policies approved by the Administrative Council are delegated to an administrative office or officer, to individual faculty members or to special committees by the president of the college.

The personnel of the council consists of the President, Business Manager, Dean of Instruction, Dean of Women, Dean of Men, Director of Secondary Education, Director of Elementary Education, Director of Music Education, Director of Home Economics Education, Librarian, College Physician and Director of Athletics.

## Dean of

## Instruction

MR. MANSER
Great is the responsibility that you of the second post-war graduating class must beat -you who are going out from here to face a world still in turmoil.

At this time, more than at any other, there must be a perfect balance between rights and duties. Neither must be taken for granted. Rights and privileges should be both the cause and effect of consciou responsibility.

To work and labor with conscientious effort is a basic law of life on this earth It is a right that we have every reason to demand; it is a dity that all must observe for no individual or nation can survive in semi-indolence.

When these days of uncertainty and scarcity are over and the word scems once again to be in a state of normaley, be not forgetful of the lessons learned from the world's ex perience; be not indifferent to the signs o the times; but know that the world will be what your generation makes it-a plac ruled and ruined by personal greed or a place where human conduct is at its mos exalted level.

## Dean of Women and Dean of Men

"College this year is different." That statement has been repeated numerous times by students. The crowded campus, the large enollment in classes, and the number of men emrolled were evidence of this. Because it was different, it required a larger measure of patience, understanding, and openmindedness on the part of both faculty members and students. The M.S.T.C. campus of 1946-1947 was a challenge to each one of you-a challenge to use your influence to belp others see the importance of working for the good of the campus community rather than for individual goals. In order to exert a good influence on others it was the duty of each to become in still larger measure intellectually capable, morally responsible, socially competent, physically fit, vocationally directed, and spiritually mature. It became your individual responsibility to direct your individual influence toward that which was good.

As citizens you will find yourselves living in a world which desperately needs individuals who are intelligent, well-trained leaders, creative in imagination, and courageous in action. Your college education should have helped you to have faith in your convictions and to work happily and effectively with other people.

My wish for each of you is that you will live and work in such ways that your contributions will be definite and constructive to the life of our times. Remember-your life will influence the future.

Dorothy M. Wasley
Dean of Women

The world today is faced with at least one fundamental necessity on the part of its people-the need of discipline. Self control has not been a characteristic of our generation. Much laxity has crept into our personal morals, our respect for law, in our family life and in putting common welfare above self-interests. This is psychological and emotional disintegration.

No life ever grows great until it is dedicated and disciplined. One of the widest gaps in human experiences is the gap between what we say we want to be and our willingness to discipline ourselves to arrive at that objective. The cost in every realm is always self-discipline. Nevertheless, a mood within us rises against this truth. I resent restraint and repression I want to do what I please, to follow my whims and desires. I want to let myself go. I want to be my own master and not the slave of conventional codes of society. I want to be free.

Free thinking is not freedom from the laws of thought. Free living is not freedom from the laws of life. Creativeness in the field of science means adherence to scientific laws. Artistic creativeness depends upon obedience to the laws of beauty.

No one is free until he has mastered himself. There is present in the life of every person who has attained greatness in any realm, whether it be art, music, science, or philosophy, a devotion that is his pride and joy, and freedom to live up to and to discipline himself for. This is quite different from letting yourself go. This means having something within you, stimulating and controlling, around which life grows integrated and unified, so that the greatest satisfaction and frecdom comes in living up to and out from it.

The roots of a self-disciplined character are profoundly spiritual, faith that there are values worth being dedicated to, faith that there are ends worth being self-disciplined for and faith that there is possible a decent world that self-disciplined men and nations can build.

## Student Council

Each student at Mansfield State Teachers College is a member of the Mansfield Student Govermment Association. The Student Council, the governing body of the Association, consists of fourteen members elected by the student body to represent them in the school government. These members are: the four officers of the Council, the Presidents of the four classes, the Editors of the Carontawan and the Flashlight, The Presidents of the Men and Women's Day Student Organization. and the Presidents of the Men and Women's Dormitory Associations. The advisors to the Student Council are the Deans of Students.

The increased enrollment for the 1946 4947 term has imposed added responsibilities and created a real ehallenge for the members of the Student Council. A unified social
program for the students is obtained by: the planning of a monthly social calendar that affords some interest for everyone, the publication of the "Password", the planning of Freshmen Week, the appointment of students to Student-Faculty committees, the selection of representatives to "Who's Who in American Colleges and Universities", the operation of the extra-class point system, the sponsoring of the big and little sister movement, participation in the Associated Student Governments of the State Teachers Colleges throughout Pennsylvania, and the Eastern States Association of Professional Schools for Teachers.

The success of Student Government depends largely on the interest, enthusiasm and the wholehearted cooperation of the student body and their loyalty of the college.

[^1]

## Women's

## Dormitory Council

Front row: D. Dussinger. R Hollenshead, R. Izer. D. Spaulding, E. Hotchkiss. Second row: Miss Reed. E. Bitner. E. Drake, A. Meyer, Miss Wasley

In the spring of the year we women students of North Hall elected eight girls to act as the governing body of our dormitory. The purpose of the council is to administer student life in the dormitory so that everyone may live comfortably and with consideration for others. We propose to develop inclividual and group responsibility and to promote conditions for the development of courtesy and self-control.

During the course of the year the council strives to attain more pleasant living conditions in the dormitory and to help the Freshman women become oriented to dormitory life.

We believe that our program is dependent on the active participation of all students and faculty, and we are always seeking to encourage better thinking and to develop a desire for higher standards.

## Men's Dormitory Council

Mr. Long. J. Ritter. D. Thomas. E. Kinney, P. Volante, D. Mancia.

The Men's Dormitory Association is one of the most far-reaching organizations on the Mansfield College campus. It contacts a larger percentage of male students than any other group.

With the wise advice of the Dean of Men and the capable leadership of President Domonic Mancia, the members of the association have served the college by promoting good will and understanding, not only among the students but also between the student
body and the faculty, and by maintaining the worthwhile customs and traditions of Mansfield State Teachers College.

Committees from the Men's Dormitory Association perform the duties of the organization. Acting as a judicial group, the association settles any problems which arise within its jurisdiction. The harmony and discipline among the men of Mansfield have resulted from the work of the Men's Dormitory Association.

# Women's Day Council 

One of the smaller, more active organizations on the campus is the popular Women Das. Students Club. This club is made up of those members of the student body not living in the domitories but residing in llansfield or neighboring communities.

The purpose of the elub is to furnish an opportunity for friendly Day Student gettosethers. Day Students would have very little opportunity to take part in eampus activities if it were not for the monthly luncheons sponsored by the elub, which offer a chance for the Day Students to become better acquainted with their fellow students and with the college itself.

## Men's Day Council

The Men's Day Student Club was active this year for the first time since 1942 . Its membership is open to all men living outside M.S.T.C. dormitol'ies while attending the college.
We were organized for the primary purpose of adjusting and bettering conditions for all men day students. It is through our president that we have had such excellent representation on the Student Couneil.

Our activities inelude business meetings, pienies, and luncheons. The social events are traditionally held jointly with the Women's Day Student Club.

We have just begun to build our strength, and our hopes for the future are higher than ever before.

# Elementary Department 

DR. RETAN

When we speak of the "campus school", we are referring to the elementary school which is a part of our campus. This school maintains a program of education for the children of the surrounding area from kindergarten age through the sixth grade. It also furnishes an extensive program of training and actual experience for the student enrolled in elementary education at the college.

Each instructor at the campus school is called a supervisor. Each of these supervisors has shown her teaching ability both by experience and graduate work in her chosen field. Her activities include teaching the children, directing student teaching, acting as advisors for students in the elementary curriculum, and participating in the Mansfield branch of the national Childhood Education Association.

The program of the school is based on the theory that teaching must embody a real understanding of the child and his development, and that the learning situation must consist of many happy experiences. The belief that "we learn by experience" is now enlarged-"we learn by happy and meaningful experiences".

The elementary building itself is one of the most modern ones on our campus. It houses a large kindergarten, two classrooms for each grade level, a music room, a children's library, a large gymnasium, and several additional classrooms.

[^2]

## Homemaking Department

The Home Economics Department, at Mansfield, not only prepares our students to be future tachers: but gives each a wide vision of the place of Home Economies in the world. Under the guidance and direction of Mrs. Elizabeth B. Morales, the department head, girls gain at Mansfield a desire to help eitizens of America in small communities to live happily and successfully tagether.

Cooking class
Sewing class

Each girl in the department is affortad ever'y possible opportunity to cultivate ways of better living in homes, schools, and ecmmunities. The Freshmen participate in Home Practice work in focds and clothine to develop skills and techniques in sewins and cooking. The Sophomores have six weeks in the management of a home. At the end of the Junior year, the girls have commercial projects. Working away from hemz better acquaints the girls with business and the necessity of practical experience and of meeting commercial standards.

# Music <br> Department 

Mr. Shroar instructing

With the return of men from the services the Music Education Department has taken on once more the appearance of a co-educational group. Happy as we are to have the men back, we do not forget the important part which the girls of the department played in keeping musical activities alive on the campus during their absence. The department welcomed Mr. Francis, Band Director, returned

from service in the Navy, as well as the following new faculty members: Miss Borkey, Mrs. Lewis, Mrs. Heim, Mr. Heim, and Mr. Schroer. Under the direction of the increased staff it has been possible to revive the larger instrumental ensembles and to add a Second Band and a Freshmen Chorus to the list. (These organizations together with the small ensembles have made 1946-47 a year of considerable musical activity.)

## Secondary

## Department

MR. BERTIN

This sear there were two groups of students enrolled in the Department of Secondary Education-one group comprised of those who were preparing to enter the profession of education, and the other includes students who were preparing for other professions, such as medicine. law, engineering, journalism, dentistry, architecture, and the like.

The two groups were about evenly divided, with approximately 200 students in each.

The future teacher group chose a field of specialization for their careers in education. Thus. some were majoring in mathematics, others in the biological sciences. and still others in foreign languages, English, the social studies, and so on.

The students in the Department who are heading toward careers in education can complete their preparation for a degree and a certificate to teach or assume administrative positions. The others are able to complete only their general college education, and must transfer to other colleges to secur the special training required tor their several professions.

More than a hundred of this latter group were Pennsylvania State College Freshmen who will return to Penn State after one or two years at Mansfield.
College Classes

## MISS GRIGSBY

## Junior High

The Junior High Laboratory School, located on the hill, fulfills a two-fold purpose. The first purpose is to provide modern Junior High School facilities for the pupils of the seventh, eighth, and ninth grades. The second purpose is to give the college Junior and Senior secondary students an opportunity to secure experience in working with adolescent boys and girls in actual elassroom situations.

For the Junior High School pupils the Junior High School is organized and conducted according to the basic principles of any modern Junior High School. The curriculum follows the plan prescribed by the State of Pennsylvania. Homemaking courses are requited for all girls, as are also Industrial Arts for the boys. A well organized program of physical education and excellent opportunities for music training are among the unusual facilities offered in so emall a Junior High School.

For the college student preparing to enter the teaching profession, the experience offered in the Junior High School is of greatest value. Under careful supervision the student gains an insight into the nature of the young adolescent. The student has the opportunity to apply his knowledge of teaching principles gained in his college theory classes. Through careful guidance and advice given by his departmental supervisor, the student gains experience in actual classroom teaching. Every effort is made to give the college student experiences similar to those he will meet when he enters the teaching field.

Junior High School Science.
Mr. Lloyd.
Back row: Mr. Marvin, Mr. Muleher, Mr. Wilson. Mr. Reese, Mr. Lunn, Miss Conson, Miss Grigsby, Miss Palmer. L. Galbraith.

## Senior High

MR. MILLER

The Senior High School is another important factor in M.S.T.C.'s teacher-training program. Under the supervision of professional educators the student teacher receives excellent instruction in the art of instructing in Secondary and Home Economics fields.

The Senior High School is also the institution which gives many of the boys and girls of the community their final bit or organized education. Because of its location the Senior High School at Mansfield prepares a large number for college. Segregated groups are given College preparatory work in the Academic field and the content of the courses is kept at a college preparatory level. Also, pupils are urged to participate in some activity outside of the classroom.

The music program not only offers fine training for pupils already partially trained but music work for beginners particularly in instruments is offered. The Teachers' College summer program of free instruction to public school pupils has aided greatly in this work.

Senior High School.
W. Miller. M Milliren. C. Hess. W. Waynick. J. Baynes. J. Reese. T. Besanceney.

Mrs. H. Strait, Mrs. Yuang, Mrs. D. Hughes, M. Gleckler, Mrs. T. Besanceney.

We, the senior class of 1947, wish to take this opportunity to express our sincere appreciation to the faculty, the families in the town of Mansfield, and to our alma mater for giving us four years of college life-four years in which we have grown to realize all a college education means to us and how much everyone has given us throughout these years to make it a profitable and pleasant experience.

To the faculty we can say that only by your guidance and sincere understanding of our problems have we at last attained the goal for which we have been striving.

It is a real pleasure and privilege to attend a college which is connected to a town like Mansfield, and we would like to say that we are more than pleased to have made so many friends "downtown" and to have been associated during these past four years with such fine families; their sincerity and friendliness has been an inspiration to us all.

To Mansfield State Teachers College, our alma mater on the hill, we bid a fond farewell and hope we, as alumni, may return to your campus often to visit old friends and to relive happy memories. You, we will not soon forget. May you stand majestically through many more years and guide young people to intelligent adulthood.

You are at the end of four long, yet short, years of college life. They have been rich and full of experiences, the value of which time can mellow and enhance. The friendships and traditions that you take with you from Mansfield will be bulwarks of strength and comfort to you in life. But this end is truly only the beginning-the commence-ment-so to speak. For you are about to start or commence a stage of your life which will compare favorably in breadth, depth,
and richness with anything you have ever experienced.

A contributing factor toward success in this new life is a four-square personalitynamely, proper physical growth, mental growth, moral growth, and spiritual growth. Your sojourn at Mansfield has enriched these sides of your personality and contributed to the improvement and reinforcement of your chances for success in this new life. Good luck to all of you.

Bradford, Pa. (

To the Class of 1948:
You are now only one school year removed from the most effective and significant work that society has to offer, the teaching and the guiding of our future citizens-the school children of America. The successful teacher is above all a constant student of the patterns of human behavior and inevitably develops a sincere passion and sympathy for his fellowmen. Look about you. Observe and meditate upon the lives of those men and women who are making outstanding contributions to the development of yourselves and your fellow students.

Austin Ledwith
Class Advisor

Just imagine, the Class of 1948 is three years old!! The "Jolly Juniors" are slated to be next year's class of distinction; it scarcely stems possible. We are looking forward eargerly to our senior year, after which we will leave our beloved Alma Mater and turn our efforts toward guiding and encouraging America's future citizens.

Meanwhile, we remain at Mansfield, the smallest class on the campus, but there is none with more enthusiasm nor with higher ideals. Our past year has been fielled to overflowing with busy, happy, enriching days and with love for the new, or should we say, revived Mansfield.

In reaching the second milepost along the educational road your class experienced the loss of some members. However, you are fortunate in being the first Sophomore Class of the State Teachers College at Mansfield since the fighting ceased, You are able to count among you those young men and young women whose educational careers were intercupted when they entered the armed services of the country. It is your opportunity to plan the kind of post-war educational program your country needs. May your watchword be "Ever Forward!"

> Cyril L. Stout

The Sophomore class, along with the Freshman, Junior, and Senior classes, has added to its curricula many professions other than teaching in the Elementary, Secondary, Home Economics, and Music departments. This year we have classmates who will journey from Mansfield to other colleges and universities to study dentistry, medicine, surgery, ministry, agriculture, engineering, accounting, and numerous other
vocations. We believe that our class will be well represented throughout the United States in these professions and will become a link in the chain of education and advancement that binds our nation into a peace-loving democracy. We are striving toward the day when we shall have completed four years of college life and shall have received our diplomas as a reward for our faithful and diligent study.

Greetings from the class of 1950 , the largest Freshman Class in the history of llansfield State Teachers College. Five hundred and five answer to our roll call.
We are unique in another way too. One rundred and thirty-eight of our proup were enrolled as Pemm State freshmen and they were members of 11.S.T.C.'s class of 1950 for just one year. It has been fun to have them and we wish them well as they continue college life. We met handicaps as we becan college in September. Because of large numbers and limited spaces, one hundred of our group arrived two weeks late. However, those men quickly found their places and became an important part ồ our class.

Bewildered at first with the taking of tests, learning about assignments, and understanding college regulations, we were helped to find oun way by the Faculty, Upperclassmen, and Big Sisters.

With a devout sense of respect and gratitude, we express our many thanks to all who have so willingly helped make our Freshman Year at M.S.T.C. a success.
(i. Ott, President
J. Witkrwski, Vice-pres.
I. Burne, Secretary
r. Smerr, Treasurer

To the Members of the Freshman Class:
Many members of the Class of 1950 have chosen professions other than teaching as a vocation. Regardless of the vocational interests of the members of the class, the thing of basic importance is that each one of you makes the most of your college opportunities so that you will do better those things which you would do anyway and that you will desire better and finer things to do. This aim cannot be a selfish one for you will have a definite obligation to become a leader in the society of which you are a part.

In order that you may achieve happiness and contentment in your chosen vocation and because of the responsibility of being a future leader, it behooves each of you to assume the responsibility of making the
most of the abilities you possess. May we remind you that abilities not used and developed have a tendency to deteriorate. The attainment of your highest ambitions and greatest happiness requires the fine art of more effectively living with others. College life too affords you this opportunity. If you are to get the most from college it is well that you evaluate your life goals and determine early just what you expect to get from it. Experience has shown that the real purpose of life is to serve others and that real happiness comes from doing for others.

Best wishes to you as you continue your college education.

Dorothy M. Wasley
Samuel M. Long

## TAthletics

MR. DECKER

## Athletics

MR. CASEY

Evidences of an athletic program similar to that of pre-war years are being felt and observed all over the campus. Football, basketball, and baseball are definitely back. Intramural sports are at their peak with a strong feeling of rivalry being experienced. The athletic commission is working industriously to put temis and golf back on the list of competitive sports while making plans for the renewal of wrestling and boxing.

Although we realize that the athletic program is not yet complete, we appreciate the sports that have returned and extend this appreciation to the people who are responsible.

With the abundance of potential athletes on our campus, M.S.T.C. looks forward with much enthusiasm to a strong athletic program in 1947-48.

Mansfield State Teachers College successfully opened their football season with a $13-0$ victory over Wyoming Seminary. The Mountaineers held the Seminary team to five first downs while they chalked up eleven. The first score of the game came in the opening period when Bobby Magalski broke loose on a beautiful cut-back run, traveling 36 yards, helped by fine blocking, to cross the last white line. In the final period Mansfield again scored when Dominic Mancia rifled a perfect aerial to Joe Walsh in the end zone. One of the highlights of the game came, when Seminary got a first down on Mansfields 3 yard line. Seminary banged away at the line four times and Mansfield took the ball over on their own one yard line. On the next play Magalski took the ball on a fake kick and carried it all the way to the mid-field line. This game showed that Mansfield had tremendous possibilities as a football team and should have a good season.

The Band on parade

BACKFIELD

## BACKFIELD

On a sweltering October afternoon, a Parents Day crowd of 2500 watched the Mansfield "Mountaineers" strike through the air and on the ground to defeat a strong Millersville tean, 14-7.
The first period was scoreless. Early in the second period Cheplick recovered a Millersville fumble on the Millersville 15 yard line. Kodish, Mansfield fullback plunged to the 1 yard line where Randon scored on the next play. Dombrowski's kick was good-Manstield 7, Millersville 0.

Millersville tied the seore in the third period as Reese, Millersville back ran beautifully to score from the Mansfield 30 yard line. The try for the extra point was good-Mansfield 7, Millersville 7.
Mansfield scored its winning tally in the fourth period as Bobkowski, quarterback, and Walsh, end, put on an aerial circus. Starting from the Mansfield 33 yard line, a series of passes, Bobkowski to Walsh, produced the thirteenth Mansfield point. The extra point was good-final score Mansfield 14, Millersville 7.

Rain, mud, and cold held sway as "Ted" Casey's Mansfield eleven remained undefeated, defeating Cortland Teachers 9-6.

Cortland scored early in the first period. Mclntyre, Cortland quarterback, passed to Shumacher; Shumacher running for the score. The try for conversion failed- Cortland 6 , Mansfield 0.

Still in the first period, Mansfield recovered a Millersville fumble on the Cortland 26 yard line. "Chic" Marra cut his way through the Cortland team for a 26 yard touehdown run. Dombrowski's kick was perfect-Mansfield 7, Cortland 6.

Mansfield scored again well on into the fourth quarter. Stevens, Cortland back, was eaught behind his own goal line by Ted Novak, Mansfields star linesman. Mansfield 9. Cortland 6. The line play of Mansfield was superb. The backs, led by Armendola and Marra plus Ray Kodish's fine kicking proved to be very decisive in the vietory.

Mansfield State Teachers College eleven battled a rugged, fast, and determined Bloomsburg Teachers team to a scoreless tie. Bloomsburg had the advantage throughout the first half as Maley, Bloom back, reeled off considerable yardage. Mansfield received quite a shock in the first minutes of play, Captain Bobby Magalski suffered an injury which handicapped him throughout the season.

The second half was all Mansfield; as the line play of Cheplick, Novak, and Katusz proved outstanding. Mansfield penetrated to within the 10 yard line twice but could not score. "Chic" Marra, Grant, Ormezzani and the injured Magalski provided the offensive power for Mansfield.

Bloomsburg's superb playing could be contributed to their desire to win their first game for their late coach who had died a few days before the game.

The day was warm, more conducive to baseball, yet Mansfields' gridiron eleven sent Kutztown Teachers down to defeatMansfield 14, Kutztown 0.
Harrington, Kodish, Marra and Magalski combined to give Mansfield its first score. Kodish intercepted a Kutztown pass on the Kutztown 40 yard line. Marra was good for 20 yards. Captain Bobby Magalski faded and found Harrington open in the end zone -a touchdown pass. The placement was good-Mansfield 7, Kutztown 0.

In the fourth period, Katusz intercepted another Kutztown pass and set the stage for another Red and Black score. Bobkowski passed beautifully to All-Pennsylvania and Little All-Anerica end Joe Walsh-Touch-down-Dombrowski again connects with the placement-Mansfield 14, Kutztown 0 .
"Chic" Marra's 50 yard gallop for a near touchdown proved to be the highlight of the game. The line play of Raykovitz, Magdalinskas was exceptional.

## HALFBACKS

The Casey men rolled up another victory before a large Homecoming Day crowd. Final score-Mansfield 33. Dickinson 6.

The first period was scoreless. In the opening minutes of the second period, "Chic" Marra rolled up Mansfields first score. The conversion was good-Mansfield 7, Dickinson 0. Dickinson scored as Schultz threw to Stacy in the end zone. The kick was no good —Mansfield 7, Dickinson 6.

Mansfield scored again as Chet Waselewski passed to Joe Walsh for a touchdown Dombrowski's kick was good-Mansfield 14. Dickinson 6. Armendola, M.S.T.C. scat-back, raced 40 yards for the third tally but a penalty nullified the run. Grant then garnered the third score as he passed to Bill Johnson. Mansfield 20, Dickinson 6.

Magalski set the scene for the next score as he ran brilliantly to the Dickinson 40. Grant passed to Walsh who lateralled to Kadish good for another touchdown. Conversion good-Mansfield 27, Dickinson 6. Cheplick set up the last score when he recovered a fumble on the Dickinson 18 yard line. Bobkowski's pass to Armendola was good for a touchdown. Final score-Mansfield 33, Dickinson 6.

## GUARDS

Practically everyone scored but the managers as the "Mountaineers" rolled over Edinboro State Teachers College, 51-7.

Kodish scored from the 3 yard line in the first period. Once again, Kodish passed a 30 yard beauty to Walsh, Mansfield scoring at will, scored the third touchdown as Jake again ran beautifully for 19 yards. Grant passed to Armendola for the fourth tally. McEneny, faking to Armendola, passed another 6-pointer to Joe Walsh. Walsh, once again, scored on a pass from Ted Randon. All this in the first half.

Magalski opened the second half with his sparkling 68 yard touchdown run. The payoff came as Raykowitz, a converted linesman, temporarily, that is, scored from the Edinboro 6 yard line. Jackie Dunbar, pulling out from his guard position scored the extra point.

Edinboro, scoring for the first time in the season, pushed over its touchdown from the Mansfield 6 yard line. Katusz, Cheplick, Novak, and Bowman played brilliantly on the defense for Mansfield.

Playing probably their best game of the year, the unbeaten Red and Black of Mansfield defeated a strong Indiana Teachers aggregation 25-13.

Indiana scored first when the referee ruled Mansfield interference of an Indiana pass received on the Mansfield three yard line. The "Mountaineers" came roaring back, when Ray Kodish passed to Armendola for a score. Once again Indiana assumed the lead as a long pass scored their second touchdown. Indiana led at half time, 13-7.

Kodish and Armendola opened the second half with a Mansfield touchdown. Kodish threw a perfect strike to Armendola in the Indiana end zone. Kodish playing his best game of the year, scorded Mansfields third touchdown as he crossed the goal standing up, a run of 10 yards. The play of the game was little Armendola's 70 yard excursion for Mansfields final score.
it is difficult to pick the outstanding stars of this game. The team played flawless ball, every man deserved similar credit.

In a bitterly contested ball game, the Mansfield Teachers College squad, capably coached by Ted Casey, kept their record clean of defeat by overcoming Lock Haven Teachers, 14-13.

Lock Haven scored in the first half, assuming a 6-0 lead. Mansfield, as it had all year, came plugging back. Ralph Grant passed accurately to Bill Johnson, Johnson crossing the goal unmolested, Dombrowski's toe made the score Mansfield 7, Lock Havens 6.

Mansfield added its second touchdown in the third quarter. Once again the Red and Black struck through the air. Grant passed a high, looping ball which Ray Kodish took in the Lock Haven end zone. This catch by Kodish was probably the most spectacular of the year. Dombrowski once more provided victory by his perfect placement.

Credit is surely due to the Mansfield line. Raykowitz played his game of the year. Novak was an impregnable fortress. From end to end, each lineman played star ball.

## WOMEN'S

Physical Education means education through physical activities and has a two-fold purpose. One is to promote healthy well-coordinated individuals and second is to provide a knowledge and a skill in physical activities that are suitable for recreation both in college and post-college life. Such a program includes instruction in team sports, individual sports, and various aspects of the dance, followed closely by a well supervised program of intramural sports.

The above mentioned program contains interest and variety because the sports activities are grouped according to seasons and interspersed well with dance units. Intramural tournaments follow closely class instruction.

The Archers
Tennis
Badminton

Softball
Miss Duff, Miss Dieffenbach

## SPORTS

There is a definite need in Teachers' Colleges for a Physical Education program that will provide future teachers with a background of activities enabling them to supervise playgrounds and recess periods in lieu of a Physical Education instructor. Emphasis on activities and leadership necessary to fill this need can be found in the Mansfield Physical Education program.

Activities included in the yearly program are:
Fall: Volley ball, tennis, folk dance, square dance, swimming.
Winter: Basketball, bowling, modern dance, table tennis, badminton, tumbling and apparatus.
Spring: Softball, bowling, tap and character dance, archery, tennis, swimming and quoits.

Sledding
Radminton

Tobogganing Skiing

Front row: R, Martin, Manager, C. Smith. G. Mceneny, W, Johnson, R. Kodish. T. Randon.
Beck row: Mr. Cases. Cuach, G Ott, J. Harrington, V. Magdelinskas, E. Wilson, C. Waselewshi.

The 1946-47 season witnessed the successful revival of sports at M.S.T.C. Hardearned victories and clean sportsmanship proclaimed the virtues of Mansfield teams. But behind these teams were the two men who molded and directed their affairs.
M. E. Decker, Athletic Director, came to M.S.T.C. from Williamsport. As Athletic Director, "Spotts" supplied equipment, arranged games, and handled other incidentals necessary for a smoothly operating athletic
system. He formed a highly competetive intramural basketball league and guided it to one of the oustanding activities on campus. Coach Theodore "Ted" Casey molded the players into teams which worked together. The former Villanova athlete proved that he has the leadership and ability to produce winning teams. But far more important Coach Casey demonstrated that he has the "rood of the boys" foremost in his mind.

Coach Casey
R. Martin, L. McGinley

Bucknell Junior College-Dec. 14-66-35
The Red and Black quintet of M.S.T.C. opened its 1946-47 basketball season with a decisive $66-35$ victory over Bucknell Junior College. The Wilkes-Barre quintet was no match for the fast breaking Mountaineers and at no time in the game did B.J.C. threaten.

Fans saw all team members in action; and excellent defensive and offensive work predicted a better-than-average season for M.S.T.C.
M.S.T.C. at Lock Haven-Jan. 8-64-44

The Mountaineers played and lost their first game on a foreign court as the Bald Eagles of Lock Haven flew away with the game.

The 64-44 score doesn't show the outstanding ability of Lock Haven center, Paul Coront, as he scored almost at will. Nor does it show the aggressive playing of Mansfield's Harrington, who bulwarked the team. It does show that inexperience lost the game.

Rochester Institute of Technology-Jan. 11 25-72
Rebounding from the Lock Haven defeat, the M.S.T.C. quintet bombarded the baskets for a 72-25 victory over Rochester Institute of Technology.

Although the game was uninteresting as Mansfield scored at will the spectators noted improved precision in ball-handling. Perschaus backboard retrieving gave ample proof of height advantage.

Bloomsburg vs. M.S.T.C.-Jan. 15-39-54
Bloomsburg, the first teachers college to invade Mansfield, provided the third victory for the Mountaineers.

Harrington and Kodish on offense and Johnson and McEneny on defense kept M.S.T.C. in the lead throughout the game. Bloomsburg showed sparks of beautiful playing, but couldn't click long enough or often enough.

Scranton University-Jan. 18-83-53
The trip to Scranton University provided an 83-53 defeat for M.S.T.C., but it sent a wiser team home.

Scranton outclassed the Mountaineers all evening. The University couldn't be stopped on its home court, and the two-man scoring spree by Grizlock and Notchick didn't help. Kodish, Randon, and Johnson garnered 40 points, but the total fell short.

East Stroudsburg vs. M.S.T.C.-Jan. 24-54-63
Dropping 63 points through the hoops gave the traveling M.S.T.C. quintet a nine point victory over the teachers from East Stroudsburg at East Stroudsburg.

Kodish and Randon led the Mountaineers to the victory over the "Phys Ed" majors in this game which was closer than it seems.

East Stroudsburg vs. M.S.T.C.-Jan. 31-48-56
Over 1200 fans were kept on the edge of their seats as the Mountaineers racked up their seventh victory, in one of the most exciting games played on the hardwoods of M.S.T.C.

The Red and Black quintet showed a fighting spirit when they overcame an 8point lead at half time to defeat the stubborn teachers from East Stroudsburg in an apparent grudge game. Ott and Wasileski provided a stalwart defense against East stroudsburg.
Lock Haven vs. M.S.T.C.-Feb. 5-41-47
Maintaining an unbeaten home court record, the Mountaineers played unbeatable ball while they trimmed Lock Haven, 47-41.

Gaining revenge for an earlier defeat was doubly sweet for M.S.T.C. because Wasileski held Lock Haven's Paul Coront to a few points. Kodish supplied the offensive punch in a game which wasn't won until the final bell sounded.

St. Bonaventure vs. M.S.T.C.-Feb. 8-69-53 M.S.T.C. traveled to Olean, N. Y., and absorbed a $69-53$ defeat by St. Bonaventure College. The game was close until the fourth period when the Mountaineers defense collapsed and the Bonnies bucketed twenty-two points.

Rough house tactics marred the game. Although Kodish was well-guarded, he and Randon led the M.S.T.C. offensive punch.

Scranton University vs. M.S.T.C.-Feb. 11-40-45
A last period rally gave the teachers a 45-40 victory over Scranton University in the lowest scoring game in the ageing season.

After trailing the University for three periods, the Red and Black caught fire. Kodish and Wasileski countered often to maintain a perfect record for M.S.T.C. on the home floor.

Millersville vs. M.S.T.C.-Feb. $14-55-54$
A disastrous overtime period enabled Millersville to trip the Mountaineers 55-54 in a game at Millersville. Millersville tied the see-saw battle $45-45$ with less than a minute to go and in the overtime period went on to win.

Kodish and Randon again lead M.S.T.C. scoring with 16 points a piece.
Kutztown S.T.C. vs. M.S.T.C.-Feb. 15-43-55
Trouncing Kutztown Teachers in a 55-37 victory, the Mansfield five recorded the eleventh victory of the season against four losses.

High scorer Kodish maintained his blistering average on the hardwoods to lead the offensive. Tight defensive team-playing smothered the Kutztown five.

Bloomsburg S.T.C. vs. M.S.T.C.-Feb. 18-48-50
A stubborn Bloomsburg five came to Mansfield and almost upset predictions of an easy home court victory. The Red and Black came out on the long end of a 50-48 score in the final fifteen seconds of play.

No individual star shone. A great defensive and offensive M.S.T.C. team and a determined Bloomsburg team brought the applause of the spectators.
St. Bonaventure vs. M.S.T.C.-Feb. 22-54-71
It was Kodish' night in the return St. Bonaventure game at Manstield. Racking up fifteen field goals and eight foul tries, Kodish led the Mountaineer's to a 71-54 victory and boosted his average to 18 points per game.

The score doesn't tell the story of the tight game, but a clicking Mansfield five couldn't be stopped.

Millersville vs. Mansfield-Mar. 8-45-69
In the final Teachers Conference game, the Red and Black quintet toppled Millersville to record victory number seven against two losses. This record gave Mansfield third slot in rankings.

Kodish and Harrington again supplied the scoring punch for the Mountaineers.

Kings College vs. Mansfield-Mar. 12-43-57
In a post-season game at the Kingston Armory, the Mountaineers ended their season in a blaze of glory with a triumph over previously undefeated Kings College.

Two consistent Kings College forwards kepts the fast game a toss-up until the final period. Then the Red and Black quintet forged ahead to conclude the season with a record of 15 victories and 5 losses.

## Cheerleaders

The Cheerleaders in action

A Good Team

Rah! Rah! Rah! S-s-s, boom-ah! It didn't take long for the spirit of the student body, and the faculty to reach a high point when the cheerleaders got under way. The squad is composed of eleven members, but only seven do their "stuff" at one game. Three boys were an added attraction to the squad this year: Jimmie Clancy, Ernie Coddispatti, and Dick Almony. The girls were Jeanie Jones, Captain, Lois Boardman, Lucille Lehner. Julie Hannold. Lois Byhem, Alice Ramaze, Leatrice Cunningham, and Eleanor Kneiss. The squad was somewhat broken up after the football season when some members dropped out.

The uniforms of the girls were the same as last year: black skirts, red jerkins, and white blouses. The fellows sported white trousers and black sweaters with red M's.

Pep and vitality on the part of the cheerleaders this year was encouraging and because of their help, and lots of extra work, Mansfield's school spirit has taken a great skyward leap!

[^4]

## Kappa Delta Pi

Miss O'Brien, B. Goodall

Middle row: Mr. Manwr, F Marcucci, $\mathrm{I}^{\prime}$. Mreawley, F Mertz.

Kappa Delta Pi, an honor society in Education, invites to its membership those upperclassmen who have displayed outstanding character and personality and have attained a high scholastic rating. The purpose of Kappa Delta Pi is to encourage high intellectual and scholastic standards and to recognize outstanding contributions to education.

Lappa Delta Pi grew out of the Illinois Education Club, which was established at the University of Illinois in 1909 to dignify the teaching profession. Today Kappa Delta Pi ranks as one of the most outstanding organizations in the field of education.

Beta Rho Chapter at Mansfield State Teachers College was installed on the campus in 1930. Kappa Delta Pi activities are both educational and social.

Hiss O'Brien has been a very capable advisor. It is through her untiring assistance that we have been able to enjoy a most memorable year.

Frunt row: B. Goodall, Pres., D. Spaulding, C. Stilwell.
Back row: A. Shultz, E, Schmidt, V. Pres., G. Beardsley, A. McCawley.

Top row: Miss Allen, R. Allen. D. Ayers, L. Bailey, G. Beardsley, Miss Bone, H. Besanceney
Middle row: M. Bohlayer, Miss Beasley, L. Briggs, A. J. Brion, Miss Brooks, E. Capwell. R. Carlison.
Lower row: A. Cherrington, L. Cunningham, Miss Dieffenbach, J. Ford, B. Goodall, Miss Grigsby, C. Harris

Top row: E. Nash, V. Oakey, Miss O'Brien, C. Payne, G. Razey, R. Rexford, M. Russell.

Phi Mu Alpha, a national music fraterity, is lepresented on the Mansfield campus by Beta Omicron Chapter. 1946-47 has returned this chapter to an active status after four years of war-proluced inactivity, and the aceptance of many musicians into membership has helped Beta Omieron regain its prewar strength. The chapter reorganized its instrumental groups, presented an assembly program, and sponsored a con-
cert consisting of compositions produced by the chapter members.
The brothers of Beta Omicron Chapter feel that their motto states their goal: "To advance the eause of musie in America, to foster the mutual welfare and brotherhood of its students of music, to develop the truest fraternal spirit among its members, and to encourage loyalty to the Alma Mater."

## Nurses

First row: Janice Fagler, Mary Frances Trent, Winifred lgle, Sheila Leon, Sally Pethick, Virginette Wytoski. Eleanor Brzostek, Margaret Cross. ## Phi Sigma Pi

Dormant during the war years, Theta chapter of Phi Sigma Pi was reactivated in February, 1946, by Dr. Stout, Faculty Advisor, and seven pre-war members. Now "Phi Sig" has again assumed its position as the oldest and one of the most important fraternities on the campus.

Phi Sigma Pi is an honorary professional education fraternity. It was organized to foster the advancement of educational ideas and ideals, and fraternal fellowship. Membership is limited to upperclassmen of high character and superior scholastic ability.

Carl layne, Fx-president.

Jeonard liai'ey, Jresident

Wr. Stout. Advisor.

R. Kitchen, W. Lester, L. Lunn. J. Murgan, P. Mulford. G. Myfelt, C. Stout. R. Stowe, D. Thomas, D. Webster, C, Weed, R, Wilson.

Among its professional activities, Phi Sigma Pi holds monthly professional meetings. Speakers for these meetings are men prominent in education in this vicinity. The fraternity also publishes a chapter newsletter, contributes to the national fraternity professional magazine, attends national conferences, and conducts a placement service when conditions warrant.

The Annual Phi Sigma Pi Banquet and Dance highlights the social program of the fraternity. Other activities are the entertaining of the alumni members on Homecoming and Alumni Days, informal social meetings, and the intramural sports program.

The year of 1947 finds Phi Sigma Pi still moving forward under the competent guidance of Dr. Stout, and the future promises even greater success in all lines of endeavor.

## Pi Kappa Epsilon

M. Benter, E. Caywell, P. Schanbacher.
B Buhayer, J. Munro. R. Allen.
P. Levencoud, A, Shultz, R. Izer, E. Schmidt.

Pi Kappa Epsilon a local honorary homemaking sorority, advocates the advancement of scholarship and the development of leadership ability among the stuckents of the homemaking department. Members are those who have attaned a 2.3 scholarship average. Selected from the second semester Sophomores, Juniors, and Seniors, they must meet requirements of character and of leadership ability in extra-curricular activities; must be active members of Omicron Gamma Pi ; and must be able to make and keep iriends.

The sorority plans the yearly program to provide opportunity for professional, cultural, and inspirational growth. Each year the members tackle a special research project in the field of homemaking. This year they spent several enjoyable dass in New York Cits. The spring banquet, which is accompanied by the iniation of new members, culminates the years activities for Pi Kappa Epsilon.

## Lambda

Front row: Miss Brooks, Mrs. Lewis, Miss Borkey
Back row: B. Grodall. V. Oakey. L. Cunningham. G. Razey, A. McCawley, R. Seeley, R. Hollenshead.

Lambda $M u$ is a local honorary sorority for women music students who attain the ranking of second semester Sophomores with high academic averages and conspicuous musical talent. Personality and integrity of character are also of importance. Semi-annually, Lambda Mu initiates candidates for membership and sponsors a banquet for candidates, the active members, and the alumnae. The sorority attempts to achieve musical growth by stressing individual and group performances.

It is through the very able sponsorship of Miss Brooks that Lambda Mu has been able to enjoy a fruitful year, professionally as well as socially. We look forward to next year with great aspirations.

## Madrigal

## Singers

[^5]The Madrigal Singers welcomed back a former member, lately returned from service in the Navy, as well as three new singers who have replaced members recently graduated. The group clevotes itself particularly to a study of vocal music of the 16 and 17 centuries, although its repetoire also included contemporary compositions suited to the performance by small ensembles. The singers appeared on various occasions on the campus and are in demand by clubs and schools in the town and vicinity.

## Omicron Gamma Pi

special publicity event to familiarize other students with the department and its functions. This year the sorority presented a smart fashion show which featured clothing designed and constructed by the homemaking girls.

Because Omicron Gamma Pi is affiliated with the state association of clubs, it has wide influence and contact. This makes Omicron Gamma Pi one of the most important organizations on the campus of M.S.T.C.

## Carontawan

Carontawan-this word has come to mean several things. In its history is hidden an interesting Indian meaning, Little Town on the Hill. Of itself to Mansfieldians it has a diflerent meaning. It signifies a continuous. yearly record of the activities and life at Manstield State Teachers College. "Carontawan" is unique as a word and as an interpretation of lite on this particular college campus.

To the Board of the 1947 Carontawan, "Carontawan" means these things: but CARONTAWAN-1947 means more. It means work, it means play, it means planning, it means doing, it means sharing ideas, it means hopes and dreams. In all, by adding "194-", Casontawan has become an intimate part of these few months of our lives.

To all M.S.T.C. students and frionds we present Carontawan-1947. Hay you gain joy and satisfaction from our endeavors.

Carontawan Festivities

A newspaper is one of the most important items on a college campusor any place for that matter. But in college a newspaper really takes its place in the higher brackets of our emotions. That's the way we feel about the Flashlight! You see, each issue of the Flashlight has items of interest to everyone, and the paper on which our Flashlight is printed is durable and is capable of being easily read after many years of storage in one's Memory Chest.

This year, due to reasons beyond anyone's control, the Flashlight missed two months of publication.

## Staff

Front row: F. Drummond, C. Stilwell. E. Jones, M. E. Russell, M. Dorrance. Second row: H. Hissam. L. Briggs, S. Hollenhach. L. Young. E. Schmidt. Third row: J. Hannold, S. Palmer, V. Washleski, R. Hollenshead, J. Niller. Fourth row: E. Mertz, M. E. Yeager. J. Siegel. W. Cornell, P. Kuhl.
Back row: M. Curtis, L. Cunningham, R. Carlson, M. Woodin, A. Payne.

The Flashlight staff was enlarged to forty members this year. This enlargement was made necessary by the added enrollment at the college. Excellent talent for creative writing, reporting, and various other aspects of newspaper work came to us from the armed forces and from high schools. We were fortunate in getting such talent to write articles concerning social life, club work, feature news, sports and editorials, the items which compose the Flashlight. With our college expanding in size it is needless to say that work on the Flashlight is most enjoyable and interesting. The Flashlight has many good year, ahead of it just as worthwhile as the school year 1946-17.

A "powerhouse" organization on the Mansfield campus is the "M" Club. Composed of men who have achieved prominence in inter-collegiate athletics, the "M" Chub is more than just a club. It is a means to the end of fostering unblemished sportsmanship, better school spirit, and clean wholesome living.

College sports have not only returned to normal but have exceeded the "normal" years. An arduous spring initiation regulates the entry of new members into the "II" Club. Managers have the same opportunity for entering as players. All who successfully pass the ordeals gain the privilege of wearing the school letter " Mr ".

The expanded and rejuvenated " NI " Club will be able once again to hold its annual spring dance and other activities. The minstrel shows in particular will imbed the "Ir" Club firmly in the minds of Mansfield students.

Front row: M. Curtis, G. Beardsley, B, Bohlayer, B. Elsbree, G. Maxwell, R. Rexford, A, J. Brion. M. Hart. F. Gazdick, W. Lewis. L. Muth. E. Weber, M. Sheerer.

The Young Women's Christian Association of Mansfield State Teachers College, a member of the Young Women's Christian Association of the United States of America, and also a participating member in the World's Student Christian Federation expresses its purpose in three words:
"We, the members of the Young Women's Christian Association of Mansfield State Teachers College, unite in the desire to realize full and creative life through a growing knowledge of God.
"We determine to have a part in making this life possible for all people.
"In this task we seek to understand Jesus and follow Him."
The program of the Young Women's Christian Association consists of devotion meetings of various kinds each Thursday evening and social affairs, such as parties and picnics.

The fellowship and experience gained through membership and participation in the " $Y$ " has contributed much of inestimable value to the woman teacher of todays world.

## W. A. A.

The Women's Athletic Association under the direction of Miss Diffenbach afforded for the girls of M.S.T.C. an opportunity to participate in various sports. Because the association owns the equipment for numerous sports, it was possible to present a variety of tests for girls athletic abilities.

Tournaments climaxed many competitive sports activities of the year. Fall sports such as swimming, tennis, and archery: winter sports such as basketball, table temnis, shuffleboard, and volleyball; and spring sports such as softball, tennis, and hiking were all included in the program.

Points were awarded for participants in team and individual activities. Each member who tarned the required number of points received an "M" award.

All in all, it wats an exciting year in sports for the members of the Women's Athletic Association.

Back row: T. Novak, E. Wilson, L. Thornton, V. Fiddler, C. Simmons, W. Perkins, G. Razey.

Hold those brushes. The Art Club is in session. Believing that the evaluation and appreciation of art is vital to the education of the American teacher, the members of the Art Club mold their studies around a foundation of interest in art. The aim of the Art Club is the enrichment of life through these studies.

The Art Club initiates new members at the beginning of each semester. Students gain the privilege of entering the group by attaining an A in one semester of art. The members meet monthly, devoting some time to lectures and some time to work.

The Art Club at M.S.T.C. is a nember of the Eastern Arts Association, an active national organization. Each year the club president attends the national convention of the association to obtain an insight on the national trend of art.

Perhaps the most remembered work of the Art Club is the annual decorating of the campus before the Christmas holidays. This truly represents the aim of the Art Club-to enrich life through art.

## College Players

Front row: H Besanceney. L. Shedden. Y. Lane, E. Nash. J. Wilrox, S. Smyth, Second row: L. Slusser, M Harrington, E. Mertz, P. Kuhl, C. Stitwell, M Hart M. Dorrance, H. Hissam. P. Levengood.

Hack row: Miss Allen, W. Lester, H. Smith, S. Spencer, J. Ritter, C. Weed, G. Maxwell, W. Bradshaw.

The College Players is an organization devoted to furthering an interest in plays and play production on the campus of Mansfield State Teachers College. Membership in the organization is secured through competitive try outs for acting members and letters of application for nonacting members.

The fall dramatic production this year was the comedy mystery "Ramshackle Inn". The spring production was "Stardust". Both plays afforded an excellent opportunity for the club members to exercise their various talents.

Variety programs are arranged and produced at various gatherings in the community. Such major projects combined with our own social programs have resulted in a most profitable and enjoyable year.

The Secondary Club was organized in April, 1943, by the Secondary Department students under the supervision of Mr. Bertin.

Its membership is made up of those individuals who intend to work toward a degree in Secondary Education.

The activities of the club consisted of professional and social meetings with programs consisting of debates and discussions on current educational problems and speakers prominent in the education field in this locality. We had a social meeting in the spring, which proved to be the highlight of our year*s activities.

Under the rery able guidance of our new sponsor, Dr. Nosal, and with the help of a large, co-operative, and energetic membership, we have had a most profitable and enjoyable year.

## A. A. C. E.

The A.A.C.E. of Mansfield is a member of the Pennsylvania State Branch of the Association for Childhood Education. The purpose of this organization is to unite in active cooperation all early childhood educational interests of the State; to promote the advancement of and to help create and maintain high standards of early childhood education; and, to act as a branch of the National Association.

The Association was formed in the belief that persons concerned about childhood education would benefit from each members' contribution. One cannot keep abreast of the new trends in and the current interests of childhood education singly. Through organization, members make contacts with each other and with the publications of the organization, and become aware of development in the field.

The meetings of A.A.C.E. on campus this year included in part programs of art and music appreciation, a speaker from the National office, and an annual picnic. One worthy project was the establishing of an easily accessible shelf in the library for childhood educational literature. Thus the "Elementary Club" on campus aims to help its members more ably meet the challenge of childhood education today.

Kehres, C. Anderson.

## Music Educator's Club

All students in the Music Education Department compose the Music Educators Club. The club not only discusses problems of Music education and supplements knowledge gained in the classroom, but it also provides the only social meetings which all music students may attend.

Programs for the meetings are sponsored by the various classes. Guest speakers bring valuable and interesting information, movies show the finer points of many concerts, and subjects such as the various types of music are studied. A banquet for all members is held by the club each year.

The officers of the Music Educators Club for 1946-47 are as follows: Jack Wilcox, President: Shirley Palmer, Vice-President; Gordon Crooks, Secretary; Elma Hotchkiss, Treasurer.

First row: G. Crooks, F. Maminsti, M. Stroup, L. Elster, Mr. Heim, M. Davis, M. Swan. V. Oakey, B. Corman

Second row: S. Dutcher, C. Zagozewski. A. Shaw, B. Buoth, M. Heim. W. Bender, J. MeDonald, E. McIntosh. E. Wilcox, M. Slawta, T. Donahne.

Third row: F. Pineno, E. Knobb, R. Whiting. B. Goodall, C. Harris, A. Markle. B. Ramsey, J. Whitney, J. Crist. M. Wuodin, I. Diez.

Fourth row: C. Thomas, R. Seeley, E. Weber. J. Wilewx, G. Wilt, D. Razey, P. Sittler, V. Washeleski, E. Drake, D. Herting, C. Acker, F. Gasdick, J. Long, M. Buokmiller, E. Kinney, R. Razey.

## Orchestra

The Mansfield State Teachers College Symphony Orchestra, under the baton of Professor Fritz Heim, presented two concerts during the 1947 season. An assembly program on January 21 was the overture to a highly praised evening concert which was given on February 28. Orchestra members also furnished the music for the formal dance which followed the evening concert.

The personnel of the symphony orchestra was largely ex-servicemen. This abundance of talent and experience, plus a good foundation of instruments produced an excellent group.

The policy of the orchestra was the inclusion of modern arrangements as well as concert type symphonic works on its programs. Modern composers shared honors equally with the older classic and romantic composers. This balance of music added a final touch of artistry to the performances of the orchestra.

## Esquirettes

Front row: L. Boardmatn, D. Dussinger, H. Samson, IS Ramsey, M. J. McNitt, M Thompson.
Second row: E. Drake, V. Washleski. W. Lewis.
Bakk row: G. Razey, R. Seeley.

The Esquirettes, simply enough is the companion band of the Esquires. Although the balance of instruments is different, the essential instrumentation is the same; and the mellow strains produced by the Esquierettes are no less soothing than those produced by the male band. Organized during the war to meet the students desire for a dance band, the Esquirettes have grown from a "pick-up" ensemble to a full-sized band.

Under the magic wand of Vicky Washaleski, the Esquirettes have secured a place for themselves not only in the life of Mansfield students but also in the life of the surrounding communities. They have proved that their sweet music matches their personalities. and that they are here to stay.

The "Esquires" officially returned to the campus in October, after an absence of three years. The band has really gone places this year in the best "Esquires" tradition with "Bucky" Harris as leader, Don Razey as business manager, and Will Moyle and "Chuck" Thomas turning out the special arrangements. Playing at least once a week for the enjoyment of dancing couples in this section of Pennsylvania and southern New York State, the "Esquires" have regained their position as one of Pennsylvania's outstanding dance bands.

## Esquires

[^7]

## Junior Chorus

Front row: M. Kingan, J. Herman, M. Slawta, S. L. Marvin, E. Bowers, M. Davis, T. Napolitan, E. Wilcon. M. Kayne, B. Corman, B. J. lirunell, L. Hartung. N. Maul, E. J. Gessner, E. Haswell, E. Kendall, N. Pullack, M. Prare.
Second row: E. Housen, D. Wieh, N. Kilbourne, M. Davis, G. Rass, J. McDonald, E. Carbo, J. Roberts, C. Acker, R. Whiting, M. Jones, R. Smith, W. Johnson, R. McLane, W. Savage, Crandall, R. Carlson, R. Carlburg, M. Jones, B. Klingeman.
Third row: Mrs. E. McIntosh, L. M. Baker, D. McLaughlin, D. J. Fox, M. J. Dubble, D. Shrift. A. Weit. S. Chamberlain. W. Snyder, C. Thomas, C. Cavuta, E. MeIntosh, $P$. Sittler, F. Pinena, E. Knob, F. Maminsky, L. Elster, J. Kehres, J. Bronson, D. Rehrer.

This chorus was comprised entirely of Freshmen from the Music Department. Their individual musical backgrounds and experiences were varied and interesting. In spite of the fact that most of the men of the chorus were in the service and had little or no contact with music during that time, the tonal quality and balance as a whole was very good.

In this group of sixty voices, the freshmen have had the experience of singing some of the fine choral literature, both sacred and secular, accompanied and a cappella. Among their appearances, those of assemblies and vespers were most memorable.

Advance Chorus

Front row: E. Hotchkiss, V, Washeleski, L. Buardman. L. Kunkle, R. Phillips, S. Palmer, D. Dussinger, B. Dimon, F. Gasdick, E. Warren, M. Thompson, 1. D:ez, J. Dragwa, J. Lundy, M. Woodin.
L. Sterling, E. Razey, R. Hollenshead, W. Lewis, A. Shaw, L. Cunningham, E. Kneiss, A. Meyer. L. Sterling, E. Drake, S. Dutcher, A. McCawley, A. Markle, E. Weher, L. Muth, M. Swan. M. J. McNett, J. Crist, B. Butman. J. Whitney, R. Seeley.

Third row: C. Anderson, T. Donahue, T. Stevens, P. Brown, G. Wilt, M. Maddock. W. Bender, M, Bookmiller, G. Crooks, C. Zagazewski, C. Harris, R. Stowe, D. Razey, T. Foster, H. Williams, R. Mazza, T. Ward, W. Moyle, J. Ritter, J. Long.

For the first time in the last few years, Mansfield has had a mixed chorus. Now that the veterans have returned, the Music Department can once more perform the world's great choral literature composed especially for mixed voices.

This group's performances at Christmas and Vespers will long be remembered by all whis heard them. During the course of the year, the standard compositions from the various period groups and a number of larger works were studied and performed.

Front row C. Harris, G. Crouks, W. Bender, Mrs, Heim, M, Swan, M. Dorrance, L. Elster, L. Marvin. Second row: A. Weit, E. Knob, M. Woodin. E. MacIntosh, E, Drake, D. Herting. C. Acker, A. Price, F. Gasdick, A. Markle, Mr. Ledwith. L. Roardman, C. Cavuto, D. Dussinger, B. Brunell. H. Samson. W. Wingert.

Third row: E. Kehrer, M. Jones, G. Blakeslee, E. Corbo, $1 ;$ Corman, E. Gessner. M. Page, D. Razey, T. Ward, V. Washeleski, R. Carlberg, T. Stevens, B. Goodall. R. Mazza, W. Johnson, R. Mclane, $F^{*}$. Lundy, E. Kinney, R, Hollenshead, R. Stuwe, J Bronson. W. Lewis. R. Whiting. H, Willians,
L. Thornton, J. Long.

## Band

With the increased enrollment in college this year, the band has again been able to have a balanced instrumentation that is necessary to play band literature. Membership in this organization was given those who had proved themselves, through individual auditions, capable of reading band music. Under the direction of Mr. Bertram W. Francis, members learned band organization, rehearsal techmiques, and band literature. Opportunities for conducting the band were given to the senior members.

Activities of this group include assembly concerts, broadcasts over station WESY. concerts in high schools of the Mansfield area, and the annual commencement and concert.

During the football season, the band played for the games, adding spirit to the accasion and at the same time affording opportunity to the band members for study of techniques of a drill band.

D. Razey, E. Kinney, J. Lundy, J. Long. Mr. Ledwith, J. Wilcox. P. Sittler, R. Seeley, T. Ward, C. Acker.

## Brass Ensemble

The Brass Ensemble is devoted to the performance of original brass music with emphasis on the literature of the seventeenth and twentieth centuries. It offers an opportunity for brass players to enjoy the experience of performing music demanding the high degree of musicianship required of the string quartet player. The group has accumulated a library unique in this field, including such items as the recently discovered repertoire of tower music so popular in seventeenth century Germany and the best of contemporary American music composed especially for this medium. During the past three years many performances have been given both on and off campus including a number of evening serenades from the terrace of the Arts Building.

Front row: L Ulanitsky, W. Lewis, J Lundy, Mi Stehbins, A. Ramage, J. White, V. Washeleshi, S. Palmer, (1) Dussinger, E. Hotehtiss. A. Meyer, L. Muth. E. Weber, L. Byham. E. Kneiss, L. Cunningham. Back row: E. Bitner, R. Bunn, I Diez, B, Dinoon, S. Johnson, J. Budd. A. Herzog, E. Leonard, J. Owens, E. Kerlin. E. Dale. M. Scudder, P. James, G. Colwell. M. J. Peters, C. McClintock. F. Gasdick. J. Dragwa, J Hannold, J. Carr, L Lehner, J. Ford.

## May Day At M. S. T. C.

The crowning of the May Queen climaxes the social events of the school year. The Queen and her court, chosen ly the student body, are the Senior girls who have been selected on the basis of their personality, attractiveness, extra-curricular activities, and academic rating. From the group of nine girls selected to the court. the Queen is secretly chosen and her identity remains a secret until the May Day processional. Our charming May Queen of 1946 was lovely Marie Scudder who was attended by Mary Jane Peters, Eileen Leonard, Emilie Kerlin, Georgia Colwell, Patricia James, Elizabeth Witmore, Carol McClintoch, and Jane Owens.

The Freshmen girls performed the traditional May Pole dance, and the Sophomore music students followed with a program of dances of various countries. The honor of crowning the Queen of the May went to Charles Weed, president of the Student Council.

This May Day ceremony has long been one of M.S.T.C.'s loveliest and most cherished traditions.
